The Address to Trooper Potts VC

Honour and Victory is the motif of the design of this address to Trooper Potts VC to be presented on December 6th and these have been symbolised in the borders by a decorative rendering of the laurel "conquering heroes were crowned with it" and olive "the prize of victory". The introduction of the golden spades has special reference to the deed for which Trooper Potts received his VC. The official note is obtained by the Borough arms and seal and the military element is supplied by the arms and crest of the Royal Berks Yeomanry on the second page.

Messrs E Poynder and Son were responsible for the work. The illuminating and designing were carried out by Mr R B Poynder ARCA, London. The whole of the binding work and tooling was executed in the firm's binding department.
