The Trooper Potts VC Memorial Site

YGCG0003

Chatham Place

Cartwright Pickard, 2007

Phase 1 of a mixed-use scheme where Phase 2, now much modified, was originally to cover over the adjacent Inner Distribution Road and include a swimming pool. A dense development with large blocks round a small public space. The bright colours on the apartments are controversial, but the multi-storey car park in the north-west corner is more sympathetic.

Amanda Martin Reading Civic Society December 2011
